

9. 6. 22

- :- John enjoyed playing with the water, blowing bubbles
- :- John has screamed very loudly in front of the class today out of temper. He has shouted "no!" at multiple adults.
- :- Tidied up happily

please let us have book 2 and as we have said we will pay for the books if you want us to - ^{n book!}

10. 6. 22

- :- John came into school well.
- :- John has screamed at adults today.
- :- John had a wonderful afternoon in Forest School. We went on a bug hunt.

13.6.22

" - Came in happily and smoothly from outside play this morning.

" - John was very impolite during phonics. He told the teacher that he was not going to do what she had asked and what everyone else was expected to do.

He screamed very loudly and started to kick the door. John had his snack in the year 3 classroom and returned to class calmly.

" - He engaged with the Maths activities well.

John has begun to lose his voice this afternoon. I imagine from the loudness & level of shouting he has done this afternoon.

At lunchtime a group of boys were playing a fighting game and John ended up being hit and John did not hit back.

:- happy to follow all adult directions today.

:- A really good phonics lesson and joined in well.

Mrs Barrett spoke to Mum via phone over John being hit this morning.

John has been a little quieter than normal today. Dad mentioned he complained of tummy ache, ~~he~~ John mentioned it again this morning but not since..

He did get upset first thing because he bit inside his mouth. He had a drink of water and calmed quickly.

20.6.22.

- :- Played nicely in the water, although he has got himself, he has played calmly.
- :- Refusing to follow instructions and telling the adults 'No!' during phonics so he spent 10 mins at lunch catching up with his phonics.

21.6.22.

- :- Very excited that our chicks are hatching. John wrote a brilliant sign which read 'Be Careful' to go next to the incubator.

- :- John has been very unsettled most of the day. He has screamed and shouted at various members of staff. He has taken himself off multiple times to the quiet room to scream loudly. He refused to participate in phonics today so caught up with the lesson during lunch.

As mentioned previously, John has been unsettled most of the day and we were wondering whether he is sickening for something, though John has said he feels fine. Perhaps it could be hayfever?

We think it is due to the hot weather and John is dehydrated and properly need to drink more water at school. John told us he had no milk today at school and a teacher gave him a bit of water in a blue cup.

We will make sure his water bottle is filled up enough every day for John during school - please make sure John does drink enough. Please thank you.

John drinks a lot of fluids when he is at home - John is also not very good in the sun - If he sits in the sun too much, John will get very drowsy, tired and look like he's got no energy.

I also noticed that we did not have John school trousers when he came home today. Can you please make sure Stuart has got them by the end of tomorrow please? Thank you.

23-6-22

We still haven't received the trousers back from Tuesday. Please can you make sure Stuart has got them by the end of today please, thank you.

We have spoken to John because he takes himself off to get changed and leaves them lying around, without telling a teacher and this is why we couldn't find them.

23.6.22

Lots of screaming today. He said no repeatedly to the lunchtime staff. He initially refused to come in to read this afternoon. He was so loud and rude that Mrs. Collier heard it from her office and had to intervene. He flailed his arms repeatedly hitting a member of staff. John had 5 minutes to calm in the quiet room and came to read happily.

Because John has been naughty today after me keep telling him no shouting, screaming + hitting. Dad told him he's not allowed his computer, treats or play games on his tablet. This will be happen everytime he been naughty at school from now on.

We also told John that from now on he must tell a teacher when he gets changed into clean clothes.

24.6.22

John refused to join in with phonics this morning.

We have had some outbursts of screaming and shouting at grown ups. However, this has been less frequent.

5-7-22

This morning John mentioned that a boy called Sammy pushes children all the time and ~~says~~ that Mrs Whitman says that the teachers can't stop him. John also says Sammy pushes him all the time.

John asked me to put this in the blue book. Short wants CCW + Steve to be fully informed.

We still not had any information from Vicky CCW about her observations on John. Steve said he will be getting in contact with the school.

He proudly showed us his plasters. I just looked at this year's timetable + am right in saying John's last day at school is on Thursday 21st July or is it Friday 22nd July. Can you please let me know? Thank you - Emma Goode - John's mum.

John mentioned he washed his hands with green soap yesterday. John did have his own soap in an orange container when he was in nursery. Please can you carry on using it for him. Let me know if you need another bar of soap. Please speak to the Headteacher if you need more information.

Stuart told me that John needs to come to school in his PE kit on PE day - what day is this? Plus how are we supposed to give spare clothes for John if you don't get his PE kit. P.E.R (CN) request. Keep spare clothes for John at school for when he gets too wet as he doesn't like it and likes to be clean and changed. Please speak to the Headteacher for more information.

This blue book is for you to let us know how John been at school day by day. As we've had our ups & downs when he was in nursery. As per Headteacher suggestion - Please keep this going in this year. Please speak to headteacher for more information.

Plus all of this information is on John's records please feel free to look through & read.

If it helps you and it make your job easier you can use your speech bubbles for John like Reception did sometimes and we wash them and return them.

I forgot to mention the soap is due to John being allergic to all hand washes & gels you use at school

Thank you for your co-operation

8.9.22

Thank you for all of the information. It's very useful to know! I have read John's file & spoken with Miss Basche so I know some of John's background. I have found John's soap & put it in the Year 1 toilets & he has been using it today.

John will have PE on Tuesday & Thursday. He will need to come in his PE kit on those days. You are welcome to send in a bag of spare clothes that we can keep on his peg in case he needs to change. John has had a good start to Year 1. He has followed our routines

Well. We have a new bell which sounds at 9.05 and 9.40 to signal the start & end of phonics across the school. John became distressed at this noise, but coped much better with his ear defenders.

Could you reinforce with John that the bell is nothing to worry about & is just to start & end phonics?

John also has access to a quiet space in the classroom where he can go to calm down & use some calming activities. He accessed this on Wednesday afternoon but was very quickly able to rejoin his class on the carpet.

Well done John for a great start! Keep it up! Mrs Sherwood

We just want you to know that John will not be going to the panto as last year was not a good experience for him. John kept crying and covering his ears due to the noise + loudness. Thank you for your co-operation.
