Dear Parent/Carer

Your child has received a vision screening check at school, the results are highlighted below:

Your child passed the test

No further tests will be carried out in school. If in future you have concerns about your child's eyes, you should take him/her to your local Optometrist for an eye test. This test is free to children under 16 years of age.

Your child failed the test

Please wait to hear from us, we will shortly send out a letter to your home address explaining your child's vision test result and what needs to be done next.

Your child was absent on the day of the vision test

If you would like your child to have their vision tested please take them to any high street optometrist (optician). This test is free to children under 16 years of age. No further tests will be carried out in school.

If you wish to contact us please telephone your local hospital on the number below.

Yours sincerely,

Worcestershire Vision Screening Service
